This clause shall not affect any general lien, right of set-off or other right to which the lender may be entitled.

(b) USD-May Third Supplemental Deed

Effective Date	The date on which all condition precedents have been satisfied to the satisfaction of the lender.
Amended Final Maturity Date	9 May 2029 (the “ Amended USD-May Final Maturity Date ”)
Conditions Precedent	(a) The USD-May Third Supplemental Deed being duly executed by the borrower; (b) the equitable mortgage over shares dated on or about the date of this USD-May Third Supplemental Deed executed by the borrower and Luckzone,¹⁶ in favour of the lender in respect of 35% of the issued shares in Luckzone¹⁷ (the “USD-May Share Mortgage”)¹⁸ duly executed by the borrower and Luckzone in favour of the lender and all deliverables required by or referred to in the USD-May Share Mortgage;

¹⁶ Luckzone is a wholly-owned investment holding subsidiary of the Company. Luckzone holds 100% of Chongqing Yingli Qipaifang Real Estate Development Co., Ltd. (“**CYQRED**”), which in turn holds 100% of Chongqing Guang Rui Carpark Services Co., Ltd. (“**CGRCS**”). The key underlying assets of Luckzone are the investment properties held by CYQRED and CGRCS, with carrying values of RMB 1,323,991,381 and RMB 83,563,810, respectively, as at 31 December 2025. The consolidated net tangible assets of Luckzone and its subsidiaries, namely CYQRED and CGRCS, is RMB 425,842,798 as at 31 December 2025, representing 24.9% of the Company's consolidated net tangible assets of RMB 1,708,242,167 as at 31 December 2025. The consolidated revenue of Luckzone and its subsidiaries, namely CYQRED and CGRCS, is RMB 48,790,474 as at 31 December 2025, representing 24.4% of the Company's consolidated revenue of RMB 200,326,914 as at 31 December 2025.

¹⁷ The Company confirms that no independent valuation has been commissioned to determine the fair value of the shares in Luckzone. The Company has attributed a reference value of approximately RMB 149,044,979 to 35% of the issued shares in Luckzone, based on 35% of the consolidated net tangible assets of Luckzone and its subsidiaries, namely CYQRED and CGRCS, as at 31 December 2025, as derived from the Group's latest audited financial statements. No independent valuation was commissioned because the USD-May Share Mortgage is being granted as security in connection with the extension of an existing borrowing facility and not pursuant to an outright disposal of the shares in Luckzone. In these circumstances, and given that Luckzone is an unlisted investment holding company with no quoted market price for its shares, the Company considered the consolidated net tangible assets of Luckzone and its subsidiaries as at 31 December 2025 to be an appropriate objective reference point for disclosure of the value represented by the mortgaged shares. The Audit Committee (with Mr Pan Jianyun recusing himself from the Audit Committee's deliberations on the Proposed Transactions and abstaining from issuing a view on the Proposed Transactions) and the Board (with Mr Pan Jianyun, Mr An Xuesong and Mr Ye Hailiang abstaining from making any recommendation to Shareholders on the Proposed Transactions in their capacity as Directors) are of the view that the Proposed Transactions, including the USD-May Share Mortgage, are on normal commercial terms and are not prejudicial to the interests of the Company and its Independent Shareholders. In arriving at this view, the Audit Committee (with Mr Pan Jianyun recusing himself) and the Board (with Mr Pan Jianyun, Mr An Xuesong and Mr Ye Hailiang abstaining) took into account, among other things, that: (a) the USD-May Third Supplemental Deed does not increase the principal amount outstanding under the USD-May Loan Facility but extends its maturity date to 9 May 2029; (b) the USD-May Share Mortgage is a condition precedent required by CEFL for the extension of the USD-May Loan Facility; (c) absent the extension, there would have been additional strain on the Group's liquidity; and (d) while enforcement of the USD-May Share Mortgage upon an event of default may result in the Company losing control of Luckzone, the Audit Committee (with Mr Pan Jianyun recusing himself) and the Board (with Mr Pan Jianyun, Mr An Xuesong and Mr Ye Hailiang abstaining) considered that the extension of the USD-May Loan Facility and the preservation of the Group's existing financing were, in the circumstances, in the interests of the Company.

¹⁸ Under the USD-May Share Mortgage entered into between the Company and Luckzone in favour of CEFL, the Company grants CEFL a first-priority equitable mortgage over 35% of the issued shares in Luckzone (the “**Tranche 2 Shares**”), together with any shares or securities issued in substitution for, conversion of, reclassification of, or in respect of the Tranche 2 Shares by way of bonus issue, consolidation or subdivision (the “**Mortgaged Tranche 2 Shares**”), and a first-priority fixed charge over all related rights and other rights and interests accruing at any time to or in respect of the Mortgaged Tranche 2 Shares (including dividends, distributions, interest, disposal proceeds and other property or rights arising in relation to the Mortgaged Tranche 2 Shares). The USD-May Share Mortgage secures all present and future obligations of the borrower, Luckzone and any other obligors under the finance documents (whether actual or contingent) and operates as continuing security during the security period until the secured obligations are unconditionally and irrevocably paid and discharged in full. The USD-May Share Mortgage is governed by Hong Kong law and disputes are referred to the courts of Hong Kong or any other court of competent jurisdiction.

LETTER TO SHAREHOLDERS

	(c) a certified copy of the board resolutions of the borrower approving the execution of this USD-May Third Supplemental Deed and the USD-May Share Mortgage and the transactions contemplated thereunder; (d) evidence of the approval by the independent shareholders of the borrower of the transactions contemplated under this USD-May Third Supplemental Deed and the USD-May Share Mortgage at an extraordinary general meeting to be held by the borrower (or at any adjournment of such meeting); and (e) such other documents and evidence as the lender may reasonably request.
Confirmation of the Finance Documents	The borrower hereby confirms that the terms of the USD-May Loan Agreement, the USD-May Share Mortgage and any other guarantees and security documents in respect of the USD-May Loan Facility, and any documents ancillary to the foregoing (the “Amended USD-May Finance Documents”) shall remain in full force and effect following the execution of this USD-May Third Supplemental Deed and that, save as amended by this USD-May Third Supplemental Deed: (a) the terms of the Amended USD-May Finance Documents will remain in full force and effect from the effective date; and (b) its obligations under the Amended USD-May Finance Documents will not be otherwise affected, discharged, impaired, diminished or varied by the execution of this USD-May Third Supplemental Deed.

The Proposed Transactions would enable the Group to preserve funds to cope with uncertainties related to a fluctuating interest rate environment and geopolitical tensions, and to optimise the use of its cash resources. This would provide the Group with greater financial flexibility to support the growth and development of its operations, including undertaking asset enhancement initiatives and upgrading works on its existing properties to improve their competitiveness, operational efficiency and long-term value.

²¹ The Company has attributed a reference value of approximately RMB 51,101,136 to 12% of the issued shares in Luckzone, based on 12% of the consolidated net tangible assets of Luckzone and its subsidiaries, namely CYQRED and CGRCS, as at 31 December 2025, as derived from the Group's latest audited financial statements.

²² Under the SGD Share Mortgage entered into between the Company and Luckzone in favour of CEFL, the Company grants CEFL a first-priority equitable mortgage over 12% of the issued shares in Luckzone (the “**Tranche 3 Shares**”), together with any shares or securities issued in substitution for, conversion of, reclassification of, or in respect of the Tranche 3 Shares by way of bonus issue, consolidation or subdivision (the “**Mortgaged Tranche 3 Shares**”), and a first-priority fixed charge over all related rights and other rights and interests accruing at any time to or in respect of the Mortgaged Tranche 3 Shares (including dividends, distributions, interest, disposal proceeds and other property or rights arising in relation to the Mortgaged Tranche 3 Shares). The SGD Share Mortgage secures all present and future obligations of the borrower, Luckzone and any other obligors under the finance documents (whether actual or contingent) and operates as continuing security during the security period until the secured obligations are unconditionally and irrevocably paid and discharged in full. The SGD Share Mortgage is governed by Hong Kong law and disputes are referred to the courts of Hong Kong or any other court of competent jurisdiction.

4. THE PROPOSED TRANSACTIONS AS INTERESTED PERSON TRANSACTIONS

4.1 Chapter 9 of the Listing Manual

(a) Background

Chapter 9 of the Listing Manual governs transactions by a listed company or any of its subsidiaries or associated companies (known as an **“entity at risk”**) with a party who is an interested person of the listed company. The purpose is to guard against the risk that interested persons could influence the listed company, its subsidiaries or associated companies to enter into transactions with it that may adversely affect the interests of the listed company or its shareholders.

(b) Definitions of key terms used in Chapter 9 of the Listing Manual

For the purpose of Chapter 9 of the Listing Manual:

- (i) an **“approved exchange”** means a stock exchange that has rules which safeguard the interests of shareholders against interested person transactions according to similar principles in Chapter 9 of the Listing Manual;
- (ii) in the case of a company, an **“associate”** means:
 - (A) in relation to any director, chief executive officer, substantial shareholder or controlling shareholder (being an individual) means: his Immediate Family, the trustees of any trust of which he or his Immediate Family is a beneficiary or, in the case of a discretionary trust, is a discretionary object; and any company in which he and his Immediate Family together (directly or indirectly) have an interest of 30% or more; and
 - (B) in relation to a substantial shareholder or a controlling shareholder (being a company) means any other company which is its subsidiary or holding company or is a subsidiary of such holding company or one in the equity of which it and/or such other company or companies taken together (directly or indirectly) have an interest of 30% or more;
- (iii) an **“associated company”** means a company in which at least 20% but not more than 50% of its shares are held by the listed company or group;
- (iv) a **“controlling shareholder”** is a person who holds directly or indirectly 15% or more of the total number of issued shares excluding treasury shares and subsidiary holdings in the listed company, or in fact exercises control over the listed company;
- (v) an **“entity at risk”** means a listed company, a subsidiary of the listed company that is not listed on the SGX-ST or an approved exchange or an associated company of the listed company that is not listed on the SGX-ST or an approved exchange, provided that the listed group or the listed group and its interested person(s) has control over the associated company;
- (vi) in the case of a company, an **“interested person”** means a director, chief executive officer or controlling shareholder of a listed company, or an associate of such director, chief executive officer or controlling shareholder or any person or entity deemed by the SGX-ST to be an interested person if the person or entity has entered into, or proposes to enter into: (a) a transaction with an entity at risk; and (b) an agreement or arrangement with an interested person in connection with that transaction;
- (vii) an **“interested person transaction”** means a transaction between an entity at risk and an interested person;

LETTER TO SHAREHOLDERS

- (viii) a “**transaction**” includes, whether or not in the ordinary course of business and whether or not entered into directly or indirectly (for example, through one or more interposed entities), the provision or receipt of financial assistance, the acquisition, disposal or leasing of assets, the provision or receipt of goods or services, the issuance or subscription of securities, the granting of or being granted options, and the establishment of joint ventures or joint investments; and
- (ix) a “**listed company**” means a company admitted to the Official List of the SGX-ST and not removed.

(c) **Materiality thresholds**

Shareholders’ approval would be required in respect of transactions with interested persons if the value of the transaction is equal to or exceeds certain financial thresholds.

In particular, Shareholders’ approval is required where:

- (i) the value of an interested person transaction is equal to, or more than, 5% of the Group’s latest audited NTA; or
- (ii) the aggregate value of all transactions entered into with the same interested person during the same financial year amounts to 5% or more of the Group’s latest audited NTA. The aggregation will exclude any transaction that has been approved by Shareholders previously, or is the subject of aggregation with another transaction that has been previously approved by Shareholders.

The abovementioned requirements for Shareholders’ approval do not apply to any transaction below S\$100,000, save that the SGX-ST may aggregate any such transaction entered into during the same financial year and treat them as if they were one transaction, having regard to the objective of Chapter 9 of the Listing Manual, and the economic and commercial substance of the interested person transaction.

In the event that the Group’s latest audited NTA is negative, the Company will consult the SGX-ST on the appropriate benchmark to calculate the relevant thresholds above, which may be based on its market capitalisation.

4.2 Relationship Between the Relevant Entities

- (a) As at the Latest Practicable Date, CEL is deemed to have an interest in 1,842,011,837 ordinary shares in the share capital of the Company, representing 72.04% of the total issued share capital of the Company. Therefore, CEL is considered to be a “controlling shareholder” of the Company under the Listing Manual.
- (b) As at the Latest Practicable Date, CEFL (lender in each of the Amended USD-May Loan Facility, the Amended USD-October Loan Facility and the Amended SGD Loan Facility) is a wholly-owned subsidiary of CEL. Therefore, CEFL is considered an “associate” of CEL, and accordingly, an “interested person” for the purposes of Chapter 9 of the Listing Manual.
- (c) The Company is an “entity at risk” for the purposes of Chapter 9 of the Listing Manual.
- (d) Accordingly, the entry into the Proposed Transactions would constitute interested person transactions under Chapter 9 of the Listing Manual.

APPENDIX A – IFA LETTER

As at the Latest Practicable Date, CEL is deemed to have an interest in 1,842,011,837 ordinary shares in the capital of the Company, representing 72.04% of the total issued share capital of the Company. As CEFL is a direct wholly-owned subsidiary of CEL, who is a Controlling Shareholder of the Company, CEFL is considered to be an associate of CEL and accordingly, CEFL is also considered to be an interested person of the Company for the purposes of Chapter 9 of the Listing Manual.

Besides seeking Independent Shareholders' approval for the Proposed Transactions as interested person transactions ("IPT"), Rule 921(4)(a) also requires an opinion from an independent financial adviser ("IFA") to opine on whether the Proposed Transactions are on normal commercial terms and are not prejudicial to the interests of the Company and its minority Shareholders.

In connection with the above, Evolve Capital Advisory Private Limited ("ECA") has been appointed as the IFA pursuant to Rule 921(4)(a) of the Listing Manual as well as to advise the Independent Directors and the Audit Committee in respect of the Proposed Transactions as an IPT.

1.3 The Independent Directors and the Audit Committee

As at the Latest Practicable Date, the Directors are:

- (i) Mr Pan Jianyun (Non-Executive and Non-Independent Chairman)
- (ii) Mr An Xuesong (Non-Executive and Non-Independent Director)
- (iii) Mr Ye Hailiang (Executive Director and Acting CEO)
- (iv) Mr Chia Seng Hee, Jack (Lead Independent Director)
- (v) Mr Chen Guodong (Independent Director)
- (vi) Ms Ma Jieyu (Independent Director)
- (vii) Mr Loh Weng Seng Vincent (Independent Director)

Mr Pan Jianyun, Mr An Xuesong and Mr Ye Hailiang, being representatives from CEL, are not considered independent in respect of the Proposed Transactions. Accordingly, they will abstain from deliberating and making any recommendation as a Director in respect of the Proposed Transactions.

Hence, save for Mr Pan Jianyun, Mr An Xuesong and Mr Ye Hailiang, the remaining Directors, namely, Mr Chia Seng Hee, Jack, Mr Chen Guodong, Ms Ma Jieyu and Mr Loh Weng Seng Vincent are considered independent for purposes of making the recommendation to Independent Shareholders in relation to the Proposed Transactions ("**Independent Directors**").

The Audit Committee of the Company comprises Mr Chia Seng Hee, Jack (Chairman), Mr Pan Jianyun and Ms Ma Jieyu. As Mr Pan Jianyun is a representative from CEL, he had abstained from deliberating and making any recommendation in respect of the Proposed Transactions.

This IFA Letter is therefore issued pursuant to Rule 921(4)(a) of the Listing Manual as well as addressed to the Independent Directors and the Audit Committee and set outs, *inter alia*, our evaluation and opinion on the Proposed Transactions as an IPT. This IFA Letter forms part of the Circular which provides, *inter alia*, the details of the Proposed Transactions and the recommendation of the Independent Directors and the Audit Committee to the Independent Shareholders arising thereof.

APPENDIX A – IFA LETTER

We have limited our evaluation to the Proposed Transactions. Our terms of reference do not require us to evaluate or comment on the legal, strategic and commercial merits and/or risks (if any) of the Proposed Transactions, or to compare their relative merits vis-à-vis alternative transactions previously considered by the Company (if any) or that may otherwise be available to the Company currently or in the future, and we have not made such evaluations or comments. Such evaluations or comments remain the sole responsibility of the Directors and/or the management of the Company (“**Management**”), but we may draw upon their views or make such comments in respect thereof (to the extent required by the Listing Manual and/or deemed necessary or appropriate by us) in arriving at our opinion as set out in this IFA Letter.

The Directors have jointly and severally accepted full responsibility for the accuracy, truth, completeness and adequacy of the information provided to us. Accordingly, we cannot and do not represent or warrant (expressly or impliedly), and do not accept any responsibility for the accuracy, truth, completeness or adequacy of such information. We have further assumed that all statements of fact, belief, opinion and intention made by the Directors and Management to us or in the Circular have been reasonably made after due and careful enquiry. Whilst care has been exercised in reviewing the information upon which we have relied, we have not independently verified such information but nevertheless have made reasonable enquiries and exercised our judgment on the reasonable use of such information and have found no reason to doubt the accuracy or reliability of the information.

The scope of our appointment does not require us to conduct a comprehensive independent review of the business, operations or financial condition of the Company and/or the Group, or to express, and we do not express, a view on the future growth prospects, value and earnings potential of the Company and/or the Group after the Proposed Transactions. Any such evaluation or review remains the responsibility of the Directors and the Management, but we may draw upon their views or make such comments in respect thereof (to the extent required by the Listing Manual and/or deemed necessary or appropriate by us) in arriving at our opinion as set out in this IFA Letter. We have not obtained from the Company and/or the Group, any projection of the future performance including financial performance of the Company and/or the Group and further, we did not conduct discussions with the Directors and the Management on, and did not have access to, any business plan and financial projections of the Company and/or the Group. In addition, we are not expressing any view herein as to the prices at which the Shares may trade or the future value, financial performance or condition of the Company and/or the Group, upon or after completion of the Proposed Transactions or if the Proposed Transactions are not effected.

We are not required to and have not made an independent evaluation or appraisal of the assets and liabilities of the Company (including without limitation, property, plant and equipment) and we have not been furnished with any such evaluation and appraisal.

APPENDIX A – IFA LETTER

Our opinion herein is based upon market, economic, industry, monetary, regulatory and other applicable conditions prevailing on, and the information provided to us, as of the Latest Practicable Date. Such conditions may change significantly over a relatively short period of time. We assume no responsibility to update, revise or reaffirm our opinion in light of, and this IFA Letter does not take into account, any subsequent development after the Latest Practicable Date that may affect our opinion herein. Shareholders should also take note of any announcements relevant to the Proposed Transactions which may be released by or on behalf of the Company and other relevant sources after the Latest Practicable Date.

We have not regarded the general or specific investment objectives, financial situation, tax position, risk profile or unique needs and constraints of any individual Shareholder. As different Shareholders would have different investment portfolios and objectives, we recommend that any Shareholder(s) who may require specific advice in relation to his or her investment portfolio should consult his or her stockbroker, bank manager, solicitor, accountant, tax advisor or other professional advisers immediately.

The Company has been separately advised by its own professional advisers in the preparation of the Circular (other than this IFA Letter). We have had no role or involvement and have not provided any advice (financial or otherwise) in the preparation, review and verification of the Circular (other than this IFA Letter). Accordingly, we take no responsibility for, and express no views, express or implied, on the contents of the Circular (except for this IFA Letter).

We have prepared the IFA Letter pursuant to Rule 921(4)(a) of the Listing Manual, as well as to advise the Independent Directors and the Audit Committee in connection with their consideration of the Proposed Transactions and their recommendation to the Independent Shareholders arising thereof. The recommendation made to the Independent Shareholders in respect of the Proposed Transactions remain the responsibility of the Independent Directors and the Audit Committee.

3.4 Conditions precedent

The Proposed Transactions are subject to and conditional upon the fulfilment and satisfaction of various conditions precedent under the USD-May Third Supplemental Deed, the USD-October Third Supplemental Deed and the SGD Third Supplemental Deed, respectively, including the specific approval of the Independent Shareholders for the passing of the Ordinary Resolutions in respect of the Proposed Transactions.

4. THE PROPOSED TRANSACTIONS AS AN IPT

Rule 906 of the Listing Manual provides that an issuer must obtain shareholders’ approval for any IPT of a value equal to, or more than 5% of the Group’s latest audited net tangible assets (“**NTA**”).

As at the Latest Practicable Date, CEL is deemed to have an interest in 1,842,011,837 ordinary shares in the capital of the Company, representing 72.04% of the total issued share capital of the Company. As CEFL is a direct wholly-owned subsidiary of CEL, who is a Controlling Shareholder of the Company, CEFL is considered to be an associate of CEL and accordingly, CEFL is also considered to be an interested person of the Company for the purposes of Chapter 9 of the Listing Manual.

Accordingly, the Proposed Transactions (i.e. the Amended USD-May Loan Facility, the Amended USD-October Loan Facility and the Amended SGD Loan Facility), each constitutes an interested person transaction under Chapter 9 of the Listing Manual.

Based on the Group’s latest audited consolidated accounts for the financial year ended 31 December 2025, the Group’s latest audited NTA amounted to RMB 1,708,242,000. The value of the Proposed Transactions (being the maximum interest payable on the Proposed Transactions) amounts to approximately RMB 102,271,692 based on the Relevant Exchange Rate, which represents approximately 6.00% of the Group’s latest audited NTA, is broken down as follows:

- (i) Given that (a) the Amended USD-May Loan Facility is fully utilised; and assuming that (b) no prepayment of principal is made such that the Amended USD-May Loan Facility is only repaid on the Amended USD-May Final Maturity Date, the value of the Amended USD-May Loan Facility (being the maximum interest payable on the Amended USD-May Loan Facility) amounts to approximately US\$9,040,332 (or approximately RMB 62,438,861 based on the Relevant Exchange Rate), which represents approximately 3.66% of the Group’s latest audited NTA.

APPENDIX A – IFA LETTER

- (ii) Given that (a) the Amended USD-October Loan Facility is fully utilised; and assuming that (b) no prepayment of principal is made such that the Amended USD-October Loan Facility is only repaid on the Amended USD-October Final Maturity Date, the value of the Amended USD-October Loan Facility (being the maximum interest payable on the Amended USD-October Loan Facility) amounts to approximately US\$2,980,449 (or approximately RMB 20,585,067 based on the Relevant Exchange Rate), which represents approximately 1.21% of the Group's latest audited NTA.
- (iii) Given that (a) the Amended SGD Loan Facility is fully utilised; and assuming that (b) no prepayment of principal is made such that the Amended SGD Loan Facility is only repaid on the Amended SGD Final Maturity Date, the value of the Amended SGD Loan Facility (being the maximum interest payable on the Amended SGD Loan Facility) amounts to approximately S\$3,576,056 (or approximately RMB 19,247,764 based on the Relevant Exchange Rate), which represents approximately 1.13% of the Group's latest audited NTA.

As at the Latest Practicable Date and save for the Amended USD-May Loan Facility, the Amended USD-October Loan Facility and the Amended SGD Loan Facility, the Group has also entered into the following interested person transactions with the same interested person (as defined in Rule 908 of the Listing Manual) for the current financial year commencing on 1 January 2026 up to the Latest Practicable Date (excluding transactions which are less than S\$100,000).

	Interested Person	Nature of transaction	Transaction Amount	Percentage of Group's NTA
1.	EBA (Shanghai) Commercial Management Co., Ltd.	Management fees and related costs	RMB 5,154,000	0.30%
2.	China Everbright Finance Limited	Interest expense on loan	RMB 55,840,870	3.27%
3.	Shanghai Angui Investment Company Limited	Interest expense on loan	RMB 6,000,000	0.35%

Details of the above transactions are set out in Section 4.4 of the Circular. In our evaluation of the Proposed Transactions, we have considered the Proposed Transactions in respect of items 2 and 3 in the table above, as set out in Section 5.3.3 of this IFA Letter.

Assuming the Proposed Transactions are approved by the Independent Shareholders, the aggregate value of all IPTs entered into by the Group for the current financial year commencing on 1 January 2026 up to the Latest Practicable Date (excluding transactions which are less than S\$100,000) is approximately RMB 169,266,562 based on the Relevant Exchange Rate, representing approximately 9.92% of the NTA of the Group:

Nature of the Transaction	Value of the Transaction RMB
Management fees and related costs	5,154,000
Interest expense in relation to the Amended RMB Loan Facility	55,840,870
Interest expense in relation to the SAI Loan Agreement	6,000,000
Interest expense in relation to the Proposed Transactions	102,271,692
Total	169,266,562
Total as a percentage of NTA of the Group	9.92%

The Independent Shareholders are therefore asked to vote on a poll, on the Proposed Transactions in respect of:

- (i) The Amended USD-May Loan Facility as Ordinary Resolution 1;

APPENDIX A – IFA LETTER

- (ii) The Amended USD-October Loan Facility as Ordinary Resolution 2; and
- (iii) The Amended SGD Loan Facility as Ordinary Resolution 3.

We wish to advise the Independent Directors to highlight to the Independent Shareholders that the passing of Ordinary Resolution 1, Ordinary Resolution 2 and Ordinary Resolution 3 is not conditional upon the passing of the others. This means that if any of Ordinary Resolution 1 or Ordinary Resolution 2 or Ordinary Resolution 3 is not approved, the other Ordinary Resolution(s) may still be passed.

5. EVALUATION OF THE PROPOSED TRANSACTIONS AS AN IPT

In our evaluation of the Proposed Transactions as an IPT, we have given due consideration to, *inter alia*, the following key factors:

- (i) the rationale for the Proposed Transactions;
- (ii) the historical financial performance and condition of the Group;
- (iii) the reasonableness of the terms of the Proposed Transactions; and
- (iv) other relevant considerations.

5.1 Rationale for the Proposed Transactions

It is not within our terms of reference to comment or express an opinion on the merits of the Proposed Transactions or the future prospects of the Group after the entry into the Proposed Transactions. Nonetheless, we have reviewed the Company's rationale for the Proposed Transactions as set out in Section 3 of the Circular.

We note the following salient points:

- (i) The Company intends to enter into the Proposed Transactions to preserve funds to cope with uncertainties related to a fluctuating interest rate environment and geopolitical tensions, and to optimise the use of its cash resources.
- (ii) Specifically, the Proposed Transactions would provide the Group with greater financial flexibility to support the growth and development of its operations, including undertaking asset enhancement initiatives and upgrading works on its existing properties to improve their competitiveness, operational efficiency and long-term value.

5.2 Historical financial performance and condition of the Group

5.2.1 Financial performance of the Group

The following is a summary of the key financial results of the Group for the last three financial years ended 31 December 2023, 2024, and 2025, i.e. FY2023, FY2024 and FY2025 respectively:

APPENDIX A – IFA LETTER

FY2025 vs FY2024

Revenue of the group increased by 0.1% year-on-year to RMB 200.3 million due to increase in the sales of properties by RMB 4.9 million, partially offset by decrease in rental income by RMB 4.7 million attributed to slightly lower occupancy rate for office units.

Overall, the Group reported net profit attributable to the equity holders of the Company of RMB 6.4 million mainly due to increase in other gains including reversal of over-accruals of land appreciation tax and reversal of accrued payables.

FY2024 vs FY2023

Revenue of the Group declined by 4.0% year-on-year to RMB 200.1 million in FY2024 due mainly to a decrease in sales of properties by RMB 8.0 million attributed to fewer property units sold, and a decrease in rental income by RMB 0.4 million attributed to slightly lower occupancy rate for office units.

Consequently, the Group reported a net loss attributable to the equity holders of the Company of RMB 178.5 million for FY2024 compared to a net profit of RMB 16.9 million for FY2023, mainly due to the decrease in revenue and other income, higher fair value losses on investment properties, and increase in administrative expenses, partially offset by fair value loss on financial asset at fair value through profit or loss, the decrease in finance costs and marketing expenses.

APPENDIX A – IFA LETTER

As the Group does not have any intangible assets, the Group's NAV is equivalent to the Group's NTA. Hence, the Group's NAV and NTA attributable to equity holders of the Company stands at RMB 1,716 million, representing NAV and NTA per Share of RMB 0.67 based on 2,557 million Shares as at 31 December 2025.

We note that there is no change in the number of issued Shares since 31 December 2025 and up to the Latest Practicable Date.

Note:

- (1) Loan from CEFL of RMB 458 million relating to the Amended RMB Loan Facility.
- (2) Loans from related parties which comprises (i) RMB-denominated loan amount of RMB 63 million from Shanghai Angui Investment Company Limited at an interest rate of 6.0%; (ii) RMB-denominated loan amount of RMB 80 million from Everbright (Jiangsu) Investment Limited at an interest rate of 6.0% which was approved by the shareholders at the EGM held on 30 April 2024; (iii) USD-denominated loan amount of US\$54 million from CEFL at an interest rate of 6.5% which was approved by the shareholders at the EGM held on 30 April 2024.

Working Capital

In respect of the above, the Group had recorded a negative working capital of approximately RMB 675 million as at 31 December 2025. We note that the Group's current liabilities comprise, *inter alia*, borrowings of RMB 1,095 million consisting of the Amended USD-May Loan Facility, the Amended USD-October Loan Facility and the Amended SGD Loan Facility of approximately RMB 526 million as at 31 December 2025. Based on our discussion with the Management, we understand that the Group's negative working capital will decrease from RMB 675 million to RMB 149 million assuming the final maturity dates of the Amended USD-May Loan Facility, the Amended USD-October Loan Facility and the Amended SGD Loan Facility were extended, and reclassified to non-current liabilities as at 31 December 2025.

As set out in the Company's annual report for FY2025, the Directors assessed that the use of going concern basis of preparation for the financial statements of the Group are appropriate after taking into consideration the following:

- (i) The Group is expected to continue generating positive cash flows from its operating activities and based on the cash flows projections of the Group for the next financial year ending 31 December 2026, there is adequate liquidity to finance the working capital requirements of the Group;
- (ii) The Group is continuously seeking financial support from the controlling shareholder and related party who has expressed their willingness to grant extension to the existing loans; and
- (iii) The Group will be proactively reshuffling or disposing low yielding properties to reduce gearing and improve liquidity position.

5.2.3 Cash flows of the Group

The following is a summary of the cash flows of the Group for FY2023, FY2024 and FY2025 respectively:

	Audited	Audited	Audited
RMB'million	FY2025	FY2024	FY2023
Net cash generated from operating activities	61.1	52.9	153.2
Net cash (used in)/generated from investing activities	(0.1)	46.6	4.3

Cash and cash equivalents in the consolidated statement of financial position	97.6	108.4	318.4

Source: Company's annual report for FY2025 and FY2024

APPENDIX A – IFA LETTER

The Group recorded net cash generated from operating activities of RMB 61.1 million, RMB 52.9 million and RMB 153.2 million for FY2025, FY2024 and FY2023 respectively.

In respect of FY2025, the Group recognised (i) net cash generated from operating activities of RMB 61.1 million mainly contributed by the property investment and property development business segments, (ii) net cash used in investing activities of RMB 0.1 million mainly due to the purchase of property, plant and equipment, and (iii) net cash used in financing activities of RMB 71.2 million mainly due to repayment of bank loan principal and interest, partially offset by proceeds from borrowings.

As a result of the above, the Group recorded a net decrease in cash and cash equivalents of RMB 10.2 million in FY2025. Consequently, taking into account the cash and cash equivalents at the beginning of the year of approximately RMB 78.7 million and restricted bank balances of approximately RMB 27.9 million, the cash and cash equivalents stood at RMB 97.6 million at the end of FY2025.

5.3 Reasonableness of the terms of the Proposed Transactions

Based on the terms of the Amended USD-May Loan Facility, the Amended USD-October Loan Facility and the Amended SGD Loan Facility, we have considered the following in assessing the reasonableness of the Proposed Transactions:

- (i) negotiation of terms of the Proposed Transactions;
- (ii) the Company's historical effective interest rate;
- (iii) comparison with the Group's existing debt facilities; and
- (iv) comparison with the effective interest rates incurred by comparable companies.

5.3.1 Negotiation of terms of the Proposed Transactions

We understand from the Management of the Company that the terms of the Proposed Transactions were arrived at after taking into consideration, *inter alia*, the prevailing lending rates, and the Company's financing needs for its immediate to medium term payment obligations.

Solely for illustrative purposes, and assuming that the Amended USD-May Loan Facility and the Amended USD-October Loan Facility were taken out as SGD-denominated loans, we note that the prevailing prime lending rates according to The Association of Banks in Singapore ("**ABS**") as at 20 March 2026 is between 4.25% and 6.875%⁽¹⁾, and the interest rates of 6.5% chargeable by CEFL under the Amended USD-May Loan Facility and the Amended USD-October Loan Facility, respectively, are within the range of the ABS prime lending rates. The interest rate of 6.5% chargeable by CEFL under the Amended SGD Loan Facility is within the range of the ABS prime lending rates.

We also note that the prime rate in the US according to the Bank of America as at 11 December 2025 is 6.75%⁽²⁾, and the prevailing loan prime rate according to the China Foreign Exchange Trade System ("**CFETS**") as at 20 March 2026 is 3.0% and 3.5%⁽³⁾ for one-year term loan and five-year term loan respectively. Accordingly, the interest rates of 6.5% chargeable by CEFL under the Amended USD-May Loan Facility, the Amended USD-October Loan Facility and the Amended SGD Loan Facility, respectively, are below the US prime rate, and higher than the CFETS loan prime rate.

Shareholders should note that the above prime lending rates are solely for illustrative purposes, and are based on various factors, including the banks' funding costs, and general economic factors, and are used as a reference point for pricing certain loans. The banks may price the loans to customers at, above, or below the prime rate, depending on, *inter alia*, the borrower's size and nature of business, reputation, financial condition, guarantees and collaterals provided.

Note:

- (1) According to the ABS prime lending rates as of 20 March 2026, which is available at: [PRIME LENDING RATES \(abs.org.sg\)](https://www.abs.org.sg/prime-lending-rates)
- (2) According to the Bank of America prime rate as of 11 December 2025, which is available at: [Prime Rate Information | Newsroom | Bank of America](https://www.bankofamerica.com/prime-rate/)
- (3) According to the CFETS loan prime rate as of 20 March 2026, which is available at: [loan Prime Rate - CFETS \(chinamoney.com.cn\)](https://www.chinamoney.com.cn/loan-prime-rate/)

5.3.2 Company's historical effective interest rate

For the purposes of our analysis, we have computed the effective interest cost for the Company's borrowings for FY2023, FY2024 and FY2025 ("**Relevant Periods**"). We note that the total borrowings for the Relevant Periods consisted of bank borrowings, bond notes and loans from a related party. The effective interest rate⁽¹⁾ during the Relevant Periods was 6.4%, 6.2% and 5.9% respectively, and based on our discussion with the Management, we understand that the decrease during the Relevant Periods was due to changes in the composition of the Company's borrowings mainly attributed to repayment of the Group's debt facilities with other banks that were incurring higher interest rate of up to 9.5%, and the general easing of the interest rate environment.

From the above, we note that the interest rate of 6.5% chargeable by CEFL under the Amended USD-May Loan Facility, the Amended USD-October Loan Facility and the Amended SGD Loan Facility, is higher than the historical effective interest rate of between 5.9% and 6.4% for the Relevant Periods.

Note:

(1) Effective interest rate is based on the total interest expenses divided by the average total borrowings of the Group

5.3.3 COMPARISON WITH THE GROUP'S EXISTING DEBT FACILITIES

Solely for illustrative purposes, we have considered the Amended USD-May Loan Facility, the Amended USD-October Loan Facility and the Amended SGD Loan Facility in respect of the Group's other debt facilities extended by the same interested person during the current financial year, FY2026, commencing on 1 January 2026 up to the Latest Practicable Date:

- (i) the Amended RMB Loan Facility of up to approximately RMB 458 million granted by CEFL to the Company at an interest rate of 6.0%, entered between the Company (as borrower) and CEFL (as lender) on 30 January 2026 during FY2026; and
- (ii) the SAI Loan Agreement for a lump sum loan of up to RMB 50 million granted by SAI, a wholly-owned subsidiary of CEL, to CYRED, a wholly-owned subsidiary of the Company, at an interest rate of 6.0%, entered between CYRED (as borrower and mortgagor), CYQRED, a wholly-owned subsidiary of the Company (as mortgagor), and SAI (as lender and mortgagee) on 30 January 2026 during FY2026.

Details of the Amended RMB Loan Facility and the SAI Loan Agreement are set out in Section 4.4 of the Circular. We note that:

- (i) in respect of the Amended USD-May Loan Facility, the interest rate of 6.5% chargeable by CEFL is higher than the Amended RMB Loan Facility and the SAI Loan Agreement, and the default interest rate of 11.975% is lower than the default interest rate of 15.0% under the Amended RMB Loan Facility, and is higher than the default interest rate of 0.03% per day⁽¹⁾ (annualised rate of 10.95%) under the SAI Loan Agreement;
- (ii) in respect of the Amended USD-October Loan Facility, the interest rate of 6.5% chargeable by CEFL is higher than the Amended RMB Loan Facility and the SAI Loan Agreement, and the default interest rate of 15.0% is the same as the default interest rate of 15.0% under the Amended RMB Loan Facility, and is higher than the default interest rate of 0.03% per day⁽¹⁾ (annualised rate of 10.95%) under the SAI Loan Agreement; and
- (iii) in respect of the Amended SGD Loan Facility, the interest rate of 6.5% chargeable by CEFL is higher than the Amended RMB Loan Facility and the SAI Loan Agreement, and the default interest rate of 15.0% is the same as the default interest rate of 15.0% under the Amended RMB Loan Facility, and is higher than the default interest rate of 0.03% per day⁽¹⁾ (annualised rate of 10.95%) under the SAI Loan Agreement.

APPENDIX A – IFA LETTER

We have also considered the terms of the Proposed Transactions with the Group's existing debt facilities with other banks, and we note the following:

- (i) The interest rate of 6.5% chargeable under the Amended USD-May Loan Facility, the Amended USD-October Loan Facility and the Amended SGD Loan Facility, is higher than the interest rates charged under the Group's existing debt facilities of between 3.75% and 4.50%;
- (ii) The default interest rate of 11.975% chargeable under the Amended USD-May Loan Facility is higher than the range of the default interest rate of between 5.625% and 6.75% chargeable under the Group's existing debt facilities, and the default interest rate of 15.0% chargeable under the Amended USD-October Loan Facility and the Amended SGD Loan Facility is higher than the default interest rate of between 5.625% and 6.75% chargeable under the Group's existing debt facilities;
- (iii) The Proposed Transactions do not have financial covenants⁽²⁾ such as the requirement for minimum cash inflow generated by the assets pledged (if any). In addition, based on our discussion with the Management, we understand that the collateral (e.g. shares in unlisted companies) securing the Proposed Transactions may not be of a type or quality ordinarily acceptable to commercial banks for conventional bank financing, and as such, bank lenders would generally require more stringent covenants and conditions if similar financing were to be obtained from them;
- (iv) The Proposed Transactions do not have any restriction on the use of revenue generated by the Group and/or amount of restricted cash typically required by banks; and
- (v) Lower cost of funds (factoring in other costs including any legal and marketing fees, fees paid to banks and any other costs incurred in connection with the funding).

Note:

- (1) According to the Management, "liquidated damages" referred to in the SAI Loan Agreement (in comparison with the Amended USD-May Loan Facility, the Amended USD-October Loan Facility, the Amended SGD Loan Facility, the Amended RMB Loan Facility, and the Group's existing debt facilities) is the default interest rate chargeable under the SAI Loan Agreement, and that it is common market practice to charge default interest on unpaid loans.
- (2) The Group's existing debt facilities are secured against certain assets owned by the Group and by corporate guarantees from certain Group entities.

Shareholders should note that the Group's existing debt facilities with other banks were taken out as RMB-denominated loans, and as observed in Section 5.3.3 of this IFA Letter, the prevailing loan prime rate according to the CFETS as at 20 March 2026 is 3.0% and 3.5% for one-year term loan and five-year term loan respectively.

5.3.4 Comparison with the effective interest rates incurred by comparable companies

Based on the Company's full-year results for FY2025, the Group operates predominantly in the property investment and development business which accounted for 100% of the Group's total revenue in FY2025 and approximately 97.1% of the reportable segment assets as at 31 December 2025.

We wish to highlight that the Management is of the view that there are no companies, including China Real Estate Investment Trusts ("**REITs**"), listed on the SGX-ST and regional securities exchanges engaging in similar business activities which are directly comparable to the Group in terms of, *inter alia*, business model, scale of business operation, geographical spread and profitability. We note that REITs are generally in the property investment business (owns and operates a portfolio of income-producing real estates), and, *inter alia*, have gearing ratio limits, and hence, may not be suitable for comparison with the Group which operates predominantly in the property investment and development business.

APPENDIX A – IFA LETTER

Nevertheless, solely for illustrative purposes, in our evaluation of the Proposed Transactions, we have compared the interest rate chargeable by CEFL under the Proposed Transactions, with those of selected companies listed on the SGX-ST with a market capitalisation of up to approximately S\$100 million and are principally engaged in the property investment and development business, which we consider to be broadly comparable to the Group (“**Comparable Companies**”).

Based on the abovementioned criteria, we have identified six Comparable Companies which are listed on the SGX-ST. We have had discussions with the Management of the Company about the suitability and reasonableness of the selected Comparable Companies acting as basis for comparison with the Group. Relevant information has been extracted from Bloomberg L.P., publicly available information of the selected Comparable Companies. We make no representations or warranties express or implied, as to the accuracy or completeness of such information. The selected Comparable Companies’ accounting policies with respect to the values for which the assets and liabilities or the revenue and cost are recorded may differ from that of the Group.

A brief description of the Comparable Companies is as follows:

Shareholders should note that the business activities, size of operations, risk profile, geographical spread, operating and financial leverage, market capitalisation, financial performance, track record, prospects, and other relevant criteria of the companies set out under the Comparable Companies are not identical to the Group. Accordingly, any inference that can be drawn from the comparison of the effective interest rates of the Comparable Companies may not be directly comparable to the Proposed Transactions and should not be conclusively relied upon. We also wish to highlight that the list of Comparable Companies is by no means exhaustive and has been compiled based on publicly available information as at the Latest Practicable Date.

APPENDIX A – IFA LETTER

For comparison, we have assessed the reasonableness of the interest rate chargeable by CEFL under the Proposed Transactions, by comparing it against the effective interest rates incurred by the Comparable Companies as set out below:

Company	Market Cap ('million)	Average Debt ('million)	Interest Expense ('million)	Effective Interest Rate ⁽¹⁾
Amcorp Global Limited	44.3	47.9	2.6	5.4%
Goodland Group Ltd	46.7	98.8	2.3	2.3%
Hong Lai Huat Group Limited	46.1	0.5	0.1	10.2%
Pollux Properties Ltd	93.8	134.8	4.0	2.9%
KOP Limited	45.4	8.5	0.5	5.6%
Heeton Holdings Limited	119.4	545.2	26.6	4.9%
Minimum				2.3%
Median				5.1%
Mean				5.2%
Maximum				10.2%
Amended USD-May Loan Facility				6.5%
Amended USD-October Loan Facility				6.5%
Amended SGD Loan Facility				6.5%

Source: Bloomberg L.P. and respective companies' filings

Note:

- (1) Effective interest rate is based on the respective companies' total interest expenses divided by the average total borrowings, and in the case of the Company is based on the terms of the Proposed Transactions

Based on the above, we observe that, in respect of the Amended USD-May Loan Facility, the Amended USD-October Loan Facility and the Amended SGD Loan Facility, the interest rate of 6.5% chargeable by CEFL is within the range of the effective interest rates incurred by the Comparable Companies of between 2.3% and 10.2%, and above the median and mean of 5.1% and 5.2%, respectively.

5.4 Other relevant considerations

5.4.1 Inter-conditionality of the Ordinary Resolutions

Shareholders should note that the Ordinary Resolutions in relation to the Proposed Transactions are not conditional upon one another. Accordingly, if any of Ordinary Resolution 1 or Ordinary Resolution 2 or Ordinary Resolution 3 is not approved, the other Ordinary Resolution(s) may still be passed by the Independent Shareholders in the forthcoming EGM.

5.4.2 Voting abstentions

We note that as set out in Section 7 of the Circular, *inter alia*, EHL, SAL and CEL, as well as CEL's associates including CEFL, shall abstain from voting on the Ordinary Resolutions approving the interested person transactions and shall not accept appointments as proxies unless specific instructions as to voting are given. Hence, the Proposed Transactions will only be voted on by the Independent Shareholders.

APPENDIX A – IFA LETTER

5.4.3 Governing law

The Company and CEFL have agreed that the Amended USD-May Loan Facility, the Amended USD-October Loan Facility and the Amended SGD Loan Facility shall be governed and construed in accordance with the laws of the Hong Kong.

6. OUR OPINION

In arriving at our opinion in respect of the Proposed Transactions, we have reviewed and deliberated on the following key factors which we consider to be relevant and to have a significant bearing on our assessment of the Proposed Transactions:

- (i) the rationale for the Proposed Transactions;
- (ii) the historical financial performance and condition of the Group;
- (iii) the reasonableness of the terms of the Proposed Transactions; and
- (iv) other relevant considerations.

Overall, based on our analysis and after having considered the above factors and the information available to us as at the Latest Practicable Date, we are of the opinion that, on balance, the Proposed Transactions as an IPT, are on normal commercial terms and are not prejudicial to the interests of the Company and the Independent Shareholders.

Accordingly, we advise the Independent Directors and the Audit Committee to recommend that the Independent Shareholders vote in favour of the Ordinary Resolutions in respect of the Proposed Transactions.

Our opinion, as disclosed in this IFA Letter, is based on publicly available information and information provided by the Directors and Management and does not reflect any projections of future financial performance of the Company and/or the Group after the entry into the Proposed Transactions. In addition, our opinion is based on the economic and market conditions prevailing as at the Latest Practicable Date and is solely confined to our views on the Proposed Transactions.

This IFA Letter is prepared pursuant to Rule 921(4)(a) of the Listing Manual, as well as to advise the Independent Directors and the Audit Committee for their benefit, in connection with and for the purpose of their consideration of the Proposed Transactions. The recommendation to be made by them to the Independent Shareholders shall remain their responsibility. Whilst a copy of this IFA Letter may be reproduced in the Circular, neither the Company, the Directors nor any other persons may reproduce, disseminate or quote this IFA Letter (or any part thereof) for any other purposes, other than for the purpose of the EGM, and for the purpose of the Ordinary Resolutions, at any time and in any manner without the prior written consent of ECA in each specific case.

This IFA Letter is governed by and to be construed in accordance with the laws of Singapore, and is strictly limited to the matters stated herein and does not apply by implication to any other matter.

Yours truly,
for and on behalf of
