Pursuant to the COVID-19 (Temporary Measures) (Alternative Arrangements for Meetings for Companies, Variable Capital Companies, Business Trusts, Unit Trusts and Debenture Holders) Order 2020 (“**Alternative Arrangements Order**”), the AGM was held by way of electronic means and members of the Company were not allowed to attend the AGM in person.

Alternative arrangements had been put in place to allow members/proxies to participate in the AGM by:

- (a) watching or listening to the AGM proceedings via a Live Webcast;
- (b) submitting questions ahead of or “live” at the AGM; and
- (c) voting (i) “live” by the members or by their duly appointed proxy(ies) (other than the Chairman of the AGM); or (ii) by appointing the Chairman of the AGM as proxy to vote on their behalf at the AGM.

Pursuant to the Alternative Arrangements Order, the share registrar of the Company, B.A.C.S. Private Limited, had verified that at least two (2) Shareholders of the Company had attended the Meeting via Live Webcast. As a quorum of at least two (2) Shareholders were electronically present at the Meeting, the Chairman of the Meeting declared the Meeting open and introduced the Directors and the Group Chief Financial Officer present.

It was also noted that the Company’s external auditors, CLA Global TS Public Accounting Corporation (formerly known as Nexia TS Public Accounting Corporation), and Company Secretary were also present via the Live Webcast.

Mr Zhang Mingao, Chairman of the Board and Dr Yang Haishan, Non-Executive and Non-Independent Director, gave an opening speech in Mandarin and English respectively to the Shareholders.. It was noted that as at the end of 2022, the world continued to struggle under the lingering effects of the COVID-19 pandemic with many countries using their best endeavours to restart economic growth. In 2022, China had captured the world's attention with various global events and milestones, signifying its thriving progress in the new era.

2022 was also a year of progress for the Group as it undertook hard work and efforts to achieve the objectives of its annual business plan and performance targets. Legacy issues that impeded the Group's progress had been further resolved and management and operational efficiencies had been enhanced.

The Company was gratified to obtain shareholders' approval at the Extraordinary General Meeting held on 29 December 2022, which would enhance the Group's capital structure, reduce its financing costs and create a positive impact to its strategic transformation.

In addition, the Group had made substantial advances in its green strategy with the completion of the Group's first-phase integration of comprehensive energy saving features within its IMIX Park Daping, which was a cooperation project between the Group and State Power Investment Corporation Limited.

Looking ahead in 2023, with the reopening of China and other countries in the endemic phase, the Group is optimistic and hopeful of the recovery in global economic growth.

On behalf of the Board, the Chairman thanked shareholders, partners and clients for their continued support. With the collective wisdom and capabilities from stakeholders, the Group would continue to leverage on its core values of "Foresight with Steady Progress, Advancement through Innovations" to make steady progress and shape a new future ahead together as one.
